

The cover features a large, stylized graphic of the Chinese character '回' (Huí) in the background, composed of two overlapping circular paths. The left path is light blue and the right path is light green. In the center of the left path, there is a small black airplane icon with a thin line extending downwards from it. On the right side, the text 'ANNUAL REPORT' is positioned above the large number '2021', which is followed by the Chinese characters '年度报告'. Below this, the bank's name '中国进出口银行' and its English translation 'THE EXPORT-IMPORT BANK OF CHINA' are listed. The overall design is clean and modern, with a focus on the bank's branding and the year 2021.
